PROFESSIONAL SUMMARY

Results-driven Multimedia Producer with over 4 years of experience conceptualizing, designing, and editing high-impact digital and audiovisual content. Specialized in video post-production and graphic design, with an advanced command of Adobe Premiere Pro and Adobe Illustrator. My professional track record includes developing complex interactive content and driving corporate communication strategies. Currently, I am elevating my profile toward advanced post-production and Motion Graphics, integrating my background in web technologies (HTML, CSS, JS) to deliver innovative, interactive, and high-performance audiovisual assets.

PROFESSIONAL EXPERIENCE

Digital Content Specialist

December 2021 – September 2025

Konecta Colombia

Bogotá, Colombia

- Developed and designed interactive digital resources using Articulate Storyline 360 for internal training and corporate communication processes.
- Handled end-to-end video production and editing using Adobe Premiere Pro, Illustrator, and complementary creative tools.
- Managed and updated training courses and learning paths within LMS platforms like Moodle, ensuring instructional structure, accessibility, and technical compliance.
- Participated in continuous improvement and innovation initiatives to optimize end-user experience (UX) across all digital content.
- Coordinated with cross-functional areas, such as Instructional Design, to align content objectives with organizational goals.

Web Developer

July 2022 – April 2023

Mobe Estudio (Agency)

Bogotá, Colombia

- Participated in the design and development of an e-commerce website for a hardware store, structuring architecture, uploading over 500 products, configuring navigation, and optimizing user experience.
- Utilized tools such as WordPress, visual builders (Elementor), HTML5/CSS3/JavaScript, and graphic editors to ensure a fully functional delivery aligned with the client's brand identity.
- Assisted in building the agency's official website (Mobe Estudio), contributing to design adjustments and content deployment.

Multimedia Production Intern

February 2021 – August 2021

Konecta Colombia

Bogotá, Colombia

- Assisted in the creation of virtual courses and graphic assets for corporate training programs.
- Adapted and edited audiovisual content following strict institutional branding guidelines.
- Supported the deployment, implementation, and management of learning contents within Moodle.
- Acquired advanced technical proficiency in professional editing software and digital content management tools.
